Rosenfeldt Withdraws From Race for Mayor In Special Election

Three Candidates in Contest To Be Decided at Polls On Dec. 13

Withdrawal of Trustee Arthur Rosenfeldt as a candidate for village president narrowed the race to three persons who will seek the choice of the voters for that office at the special election December 13.

Rosenfeldt's withdrawal was made at the deadline Monday without comment.

The race now will be between James W. (Jim) McMillen, Charles Cermak, and Murrill Cunningham. Cunningham is running on the People's ticket; Cermak on the Independent ticket; and McMillen on the Progressive ticket.

Campaigning has already started and is expected to become more intense as the date of the election approaches.

James F. Bell, 70, of Richmond Buried Today

James Bell, 70, of Richmond, died Monday night at St. Therese hospital in Waukegan following an extended illness.

Mr. Bell was a retired farmer and a former mail carrier in Richmond. He was well-known in Lake county where he made frequent visits.

Surviving are the wife, Marguerite, a son, Harold, a daughter, Mrs. Ethel Hunter, both of McHenry, a brother, Lester, of Antioch and an uncle, Fred, of Spring Grove.

The funeral service was held at 10 a. m. today at St. Joseph's church, Richmond with Rev. Father Frank Miller officiating. Burial was in St. Peter's cemetery at Spring Grove.

Antioch Intensifies Her Practice for the Game Wednesday with Palatine

Twenty-four candidates, some of them lettermen are trying for positions on the varsity basketball team of the Antioch Township High school which will open its season Wednesday evening here against Palatine.

The team will be coached this year by Richard Scott, a new member of the faculty who is relieving Maurice Kruzan of that duty. Kruzan will not supervise sports until track time in the spring.

Coach Scott is not expected to announce his starting lineup until next week. He is now reviewing fundamentals and trying to develop smooth and efficient handling of the ball.

Warren Polley, coach of the freshman-sophomore squad has 35 candidates for the Papoose team. He is expecting some good material before the season ends.

The game with Palatine next Wednesday evening is the first of the conference games this season. The Sequoias are taking it up as "unfinished business" for in the last game of last season Palatine defeated them here by the one-point margin of 34 to 33. The Papooses lost by an even greater margin.

Permits Issued for New Houses and Greenhouse Extension on Main St.

The Lasco Greenhouse firm was given a permit by the village yesterday to build an extension on the front of its Main street building to provide added display and work room. The addition will be 15x18 feet in dimension and will be of glass, cement block and facing brick. It will set back 9 feet from the sidewalk. The cost will be \$2000.

O. E. Polsgrove of North Main st., was given a permit to erect a two bedroom and a three bedroom pre-fabricated house on his North Main st. property which has a 330 foot depth. The cost of the smaller house was estimated at \$5,950. It will have no basement, giving plenty of fall for a new sewer.

Give Physical Examinations
The first and fifth grades of the Antioch Grade school are undergoing physical examinations this week under the direction of the Waukegan-Lake County nurse and Dr. R. D. Williams. Two grades are given the examinations each year and the first and fifth grades were chosen this year, according to Principal Richard Whitacre. The examinations are given over two days.

Junior Class Play "Out On a Limb" Opens Tonight

The curtain will go up at 8 p. m. tonight and tomorrow night for the Antioch High school Junior Class play, "Out on a Limb," a comedy drama presenting the teenage side of the problems of life.

Short skits of the play were presented before the school in assembly yesterday and the preview was of such a nature that the students became quite enthusiastic over the production. Sales of tickets are expected to be good for both nights.

American Legion Asks Christmas Gifts for Hospitalized Veterans

Morris Verkest is chairman of a committee of the Antioch American Legion that will go into action later in the week to solicit money and gifts in this community to see that Santa Claus makes his appearance at veterans hospitals in Lake Co.

Again under the slogan "Gifts for the Yanks Who Gave," money and gift packages will be sought. Receipts will be placed in stores for contributions, but sizeable amounts in currency or check may be sent to the Legion officials or to the American Legion, Department of Illinois, Chicago, Ill., 343 S. Dearborn St., marked "Gifts to Yanks."

Gift parcels can be brought to either Legion office or any of the 1,135 Legion posts in Illinois. They should be marked on the outside whether male or female, what parcel contains, and size of clothing, if any is included. The suggested range of gifts is from \$1 to \$5.

A card bearing name and address of each donor should be enclosed with each gift parcel.

Suggested items are: female—cologne, tooth powder, tooth paste, cosmetics, comb and brush, nightgowns, slips, manicure sets, dressing powder, bedroom slippers, bath robes, nylon hose.

Male—Wool scarfs and gloves, pajamas, shave cream and kits, hair oil, smoking articles, T shirts, belts, dress and sports shirts, bath robes, talcum powder.

Not acceptable are razor blades, candy, food, knives or matches.

A purchasing committee under Carl Stockholm, of 5927 W. Washington Blvd., Chicago, will make suitable purchases with cash received. Christmas morning distribution will be made by members of the Legion Auxiliary.

Scout Leaders Open Training Program 2nd Session Nov. 17

Six patrols of Scout leaders opened the Fall training course last Thursday night at the Community church of Round Lake. Patrol and Troop Planning will be the subject of the second meeting next Thursday night at 7:45 p. m. It is not too late to start, so all men are urged to come to the second meeting and to attend the balance of the course.

The Northwest District was well represented by men from all areas. Patrol Leaders for the troop program work are Dan Leiner of Round Lake; Lefty Gardner of Fox Lake; Harry Jessie of Antioch; Mel Davis of Libertyville; Ralph Schultz of Buffalo Grove and Lewis Butts of Diamond Lake. Les Bergmann of Libertyville is senior patrol leader; Bob James of Round Lake is Scribe; and Assistant Scoutmasters are Lou Young of Fox Lake and Al Bishop of Gages Lake.

The Advisory Board besides Ed Schewchel, Scout Executive for the North Shore Area Council, is composed of Medill Radloff of Libertyville, Bud Spinney of Round Lake and Nick Bach of Mundelein.

Antioch Student Council Will be Represented at District Meeting of IASC

Eight representatives of the Antioch Township High school student body will attend the annual meeting of the northeast and northwest districts of the Illinois Association of Student Councils at Lyons High school, LaGrange, Saturday.

Other Lake county school to be represented are Waukegan, Gurnee, and Highland Park.

The forenoon will be devoted to a general assembly talk and then the representatives will break up into round table groups for discussion of various subjects pertaining to school problems.

Special Grade School Meeting Arranged to Discuss New Building

Parent-Teacher Association Sponsors Gathering for Monday Night

A public meeting of all citizens interested in the Antioch Grade school will be held at 8 p. m. Monday under the auspices of the Parent-Teacher association to discuss the addition to the school building.

The school board will be present along with the two architects William Ganster and Arthur Henninghausen, of Waukegan to discuss the school's building project.

Richard Whitacre, principal of the school urges all parents who have children now attending school, or children who will attend in the future to be present at this important meeting. He urged the taxpayers to attend saying:

This is your concern, and we invite you to attend.

Mrs. Frank Paglusch, sixth grade room mother and her committee will serve the refreshments following the meeting.

Voted Money in 1945

The district in 1945 voted a bond issue to construct an auditorium, cafeteria and four class rooms as an addition to the new section of the present building. Because of the scarcity of materials and the high cost of the building at that time the building was delayed and the money converted into government bonds and placed in the Federal bank in Chicago.

Materials and labor are more plentiful now and while the amount of money voted for the project may not be enough to build all the architect had planned, at least some of the work can be done.

Principal Whitacre said the school needs the auditorium which can be used for physical education in meeting state requirements, and too, the cafeteria to supply warm lunch for the 135 children from the rural areas who now have to bring sack lunches.

Need Two Class Rooms

Two class rooms could be used at an early date. The new addition would be so built that in event more room is needed the walls can be used for the added construction.

The architects and the school board members took a trip Tuesday evening to some of the new schools in the county in seeing what has been constructed there. The first school to be visited was the Gavin school, the addition to which was recently completed.

The Antioch school now has an enrollment of 297 in contrast to 346 last year. While the new parochial school reduced the numbers in the public school considerably, the grade school is still growing and it may not be long until the loss will be replaced.

Some of the classes are already over the limit for proper instruction and as the wave of wartime children moves upward extra classes will be needed.

All of this will be presented to the public Monday evening.

THURS. NIGHT BUSINESSMENS Bruce Dalgard, Sec'y.

High team for the night Johnson's Resort 875, 880, 828-2583. High individual scorer L. Proko, 199, 245, 157-601. Second high individual scorer H. Grewe 595. High individual game Thor Thorness 254. Second high individual game L. Proko 245.

Millburn made a clean sweep by winning three from the Lions club. H. Shank had 590 for Millburn and J. Horan was high for the Lions club with 505.

Stanley's Resort won two from Antioch Milling. E. Kania, Sr., had 578 for Stanley's and E. Petersen had 551 for the Mill.

Salem Businessmen won two from Herron's Mink Ranch. H. Grewe had 595 for Salem and T. Thornes was high for Herron's with 558.

Special Dividend Will Be Paid on Veterans' Insurance in January

The special dividend on National Service Life Insurance which will be paid starting in January offers veterans an opportunity to further increase the investment in themselves and their dependents.

By paying their insurance premiums on an annual basis, or even a half year at a time, a veteran can realize substantial savings in payments and simultaneously remove the necessity of paying each month.

Many veterans are planning to use their entire dividend payment to pay up their insurance for a time equal to the amount of the dividend.

Those veterans who have permitted their insurance to lapse can have it reinstated by merely paying two months' premiums and taking a physical examination. Those with service-connected disabilities can take a physical examination without having those disabilities counted against them, providing they apply before December 31st. They can also select any amount of insurance from \$1,000 to \$10,000 in multiples of \$500.

Service officers of the Illinois Veterans commission can assist veterans in their insurance problems. Information can be secured, too, on the seven plans of insurance offered through the National Service Life Insurance.

In Lake county veterans can receive assistance at the IVC office located at the American Legion home in Waukegan.

Annabelle Barthel Pledged To Kappa Alpha Phi Sorority At Stephens College Campus

Columbia, Mo.—Informal pledging for Miss Annabelle Barthel, of Antioch, to membership in Kappa Alpha Phi social sorority at Stephens College here, was held on Sunday, November 6. Miss Barthel is one of nearly 500 young women who are pledged to the 16 social sororities at the college.

Social service is one of the principal objectives of the sororities at Stephens, though members participate in a program of social activities during the year. A series of cultural programs, opening on November 10 with a fashion show of "Susie Stephens" original designs by fellow students, is also sponsored by Pan-Hellenic.

Highlighting the winter social season will be the formal Pan-Hellenic Christmas ball which will be held in the Lela Raney Wood ballroom at the college on December 9 and 10. The Pan-Hellenic and Independent organizations jointly sponsor a dance given on November 18 and 19.

Miss Barthel is the daughter of Mr. and Mrs. Carl Barthel of Chancel Lake rd.

Wes Reeves Body Shop Damaged by Fire Monday

The fire department was called to the Wesley Reeves body shop on Depot st., at 8:35 p. m. Monday in extinguishing a blaze in the new addition now under construction. The loss was confined to about \$150 to the interior.

It is believed that the fire started when a canvas covering fell on the pipe of a temporary furnace used to heat the new part of the body works and ignited. The burning canvas set fire to the walls and some materials on the floor.

Grade School Basketball Conference Formed in Northern Lake County

Antioch Grade school basketball teams played two Grayslake Grade school teams at the high school gymnasium last evening in the first play of a newly formed conference schedule.

Seven grade schools have formed the Northern Lake County conference with games played on Friday nights. Because the Antioch school can only get the gymnasium here on Thursday nights an exception is being made, and because there is a play this evening at the school building the game this week was played a day earlier.

In the conference are Lake Villa, Allendale School for Boys, Fox Lake, Round Lake, Grayslake, Gurnee and Antioch. The schools have played each other in past years, but no regular schedule ever has been established until this year.

"We try to allow as many boys to play as possible and for that reason have two teams with many substitutes," Principal Richard Whitacre of the Antioch school said.

Famous Millburn Dinner To Be Friday Night; "Country Store" Added

The annual turkey dinner given each year at Millburn by the Masonic lodge for the benefit of its building fund will be served at the church there Friday evening, Nov. 18.

A "Country Store" in connection with the dinner will be held at the temple next door to the church where many articles of fancy work, home made bakery goods, candy, hardware and farm produce will be on sale.

There will be special entertainment throughout the evening. The annual event has become more popular each year over many years until last year several hundred persons from all parts of Lake county attended.

Serving will start at 5 p. m. and will continue throughout the evening until all are served.

Borovicka and Van Patten Recover Hunting Outfit From Bottom of Lake

The luck of George Borovicka, druggist, and Lew Van Patten, employe at the Williams store, in escaping from the waters of Lake Marie two weeks ago when their boat upset during duck hunting, continued this week when they recovered their hunting equipment from the bottom of the lake.

They took Leonard DiMatteo, former Williams store employe now working at the Regal China Co., who has a diving outfit, to the lake Sunday and Van Patten pointed out the place where he thought the boat turned over.

"It was just about there," said Lew, indicating to DiMatteo the spot.

DiMatteo put on his helmet and other diving equipment and went down.

Within five feet of the spot Van Patten indicated he found the three guns and the ammunition case the men had lost. The only things not recovered were a gasoline can and a pair of gloves.

DiMatteo got the diving outfit last spring, but says he intends to get a better one later. He thinks there will be many occasions for him to use it in the lakes region.

Mr. and Mrs. Earl Gibbs left for Florida last Friday. They expect to be gone for a few months.

Large Pump of Village Water System Breaks; Board Buys New One

Small Pump Carries Load, Care to Avoid Fires Is Asked

The village water works system is back on the shoulders of the small pump again as the result of a break in the large pump Monday. The village board held a special meeting last night in contracting for equipment that will provide a new pump. An oral agreement was made with Charles Wertz to pull the pump and clean and if necessary replace the filter screen.

The new pump is of the Peerless make and the transaction was through E. C. Teal representative of the J. P. Miller Wells Co., of Brookfield, Ill. He agreed to supply a 20 h. p. 1760 rpm motor and New Peerless base, 7-stage 8-inch bowl designed for 280 gallon per minute at a 180-foot head, or as much head and capacity as possible without overloading the motor. Parts recently placed in the well and found defective are to be replaced. The cost will be \$200 plus the salvaged equipment.

Superintendent Walter I. Scott said that the new equipment would be delivered by the middle of next week and that the well would be pulled, screen replaced at once and installed within a few days afterward.

The well was last pulled in 1929 and at that time the screen was full of limestone. The way the water raised and lowered while the pump was working indicated that it is clogged again.

The break in the pump this week was caused by the rod whipping and tearing off the top which sprayed water all over the building.

A warning was issued to citizens to be careful of fires because the small pump may not be able to carry a heavy load and water might not be available.

Lake Villa Merchants Open Basketball Season

The Lake Villa Merchants will open their 1949-50 basketball season Thursday night, Nov. 17, against Sherwood Park in the Lake Villa gym at 9 p. m.

Preceding the Merchants-Sherwood Park game, the Lake Villa grade school will open their season against Wauconda grade school. First game at 7:30 p. m.

The Merchants are sponsored by the following Lake Villa businessmen: Cedar Lake Park, Dalgard's, I. G. A. Food Mart, Effinger's Hardware, Fred Maier Service, Haley's Chevrolet Sales, Hucker's Sales and Service, Lake Villa Pharmacy, Lake Villa Lbr. & Coal Co., Reinebach's Dry Goods, Sherry's, Thor's Club Villa and Villa Cleaners.

Legion and Auxiliary Gives Farewell Party For Otto Klass Family

A farewell party honoring Mr. and Mrs. Otto Klass and son, Sam, was given Friday evening by the American Legion and the Auxiliary at the Legion home. The Klassses are establishing their home in Arizona for the benefit of Mr. Klass' health.

Short remarks were made by Post Commander Ed Jahneke, the unit president; Mrs. Floyd Horton, and Mr. and Mrs. Klass and Sam. Mrs. Horton presented Mr. and Mrs. Klass with a gift from the post and unit. Mrs. Klass received a gift from the unit president and the commander presented Sam with a going-away gift. Cards were played and refreshments served by Mrs. Horton, Mrs. William Thielemann, Mrs. F. A. Swenson and Nancy Swenson.

Mrs. Klass, a unit past president, has worked for both the unit and post. Otto is a past commander of the post and director of the Antioch Legion Post Drum and Bugle corps. He was also Americanism officer for a number of years. Sam, a veteran of World War II, is a member of the firing squad and also bugler for the post.

SON-IN-LAW OF MRS. THOMAS DIES

Mrs. L. Thomas, Park Ave., was called to Chicago this week by the death of her son-in-law, William Kapsa, on Nov. 15th. Mr. Kapsa has been ill for a couple of years and leaves a wife and son to mourn him.

The Protein Era

In an article which appeared in the Journal of the American Medical Association, Dr. J. S. McLester, a distinguished authority on diet as it relates to health, said, "Today we are in the protein era."

In late years, great progress has been made in the science of nutrition. One of the major developments is the discovery of the vital role that protein plays in maintaining vitality, stamina, and even morale. Dr. McLester, for example, ascribed the individual superiority of the American soldier in the last war to the high protein content of our military diet.

Moreover, the medical men have found that high protein nutrition is of definite value in reducing surgical mortality, by systematically building up the strength of the patient prior to the operation. It is of great service in treating nephritis and nephrosis. In pregnancy cases, protein has strong beneficial effects on mother and child, both before and after the birth.

There are a number of sources of protein. Of these, meat is particularly outstanding, and its protein content is biologically complete. It is one of the few foods that can be eaten twice or more a day with appetite.

All in all, the American diet is high in protein, and the amount of protein consumed is on the increase. This promises a better level of national health for the future.

Real Bargain

A California electric utility* has filed an application with the state public utilities commission for an increase in rates which, if granted, will raise the average household bill by less than one cent a day.

This is the first time in 20 years the company has sought an increase, and since 1936 it has made major rate reductions.

In various parts of the country utility systems are in a similar predicament. Electricity is practically the only commodity or service in common use which costs less now than it did before the war. Great increase in demand, and outstanding efficiency and technical improvement within the industry, have made it possible to either cut rates or hold them firm while other costs were soaring. In the case of the California company, for instance, the cost of living in its territory has risen by more than 50 per cent since 1923—and its residential electric rates have dropped by more than 50 per cent. And that has been generally true throughout the nation.

Now the point has been reached where additional revenues are needed. Some of the big municipal systems are in the same boat, and are considering rate increases—which proves, incidentally, that there is no economic magic in socialism. The utilities like the rest of us, must pay the high going price for labor and supplies, and revenues are proving inadequate.

Fortunately, these rate increases will cost the average user a minute sum. Electricity is and will remain a remarkable bargain for the money.

The Low Down From Hickory Grove

What this nation could use more of are a few more like Grandma Moses and Judge Medina—get back to reason and balance. We been a rollicksome outfit too long. Rollicksome is just using a 'polite word—a "sucker outfit" would have come closer—but I kinda like to keep these essays, for my readers, on more or less of an Emersonian level.

Grandma Moses, when she paints something you right away know what it is—you don't need to cock your head sideways like when you look at some modern dauber's effort and try to deduct if it is maybe a fricassee of sick oyster or maybe an abscessed bicuspid or just a plain hole in the ground. And with a Judge Medina decision, you don't need inquire to determine what the man means or is talking about.

And the way the nation so wholeheartedly honors Grandma Moses and acclaims her work—and the way the nation likewise puts a unanimous pat on the back of Judge Medina, shows one thing. It shows that the country is still okay. And when it gets over its doze, it may finally alert itself—do some Medina pondering—stroke its chin and build a fire under our Govt. Boys who have been making a monkey of Uncle Sambo and a sucker of us rollicksome citizens.

Yours with the low down,
JO SERRA

What's **YOUR**
price tag on
happiness?

JUST what do you see in this handsome, tidy-sized Buick SPECIAL pictured here?

The smartest bit of automobile styling on the road today? The standout beauty of tapering fenders—the sturdy protection of a wholly new front-end design?

The prestige that's in the Buick name—the solid, road-wise steadiness Buick has always stood for?

Your chance to get in on the perfect smoothness of Dynaflo Drive*—this being the lowest-priced car on which that sensational new transmission is available?

*Optional at extra cost.

They're all there, every one of those things. And for a good reason that may go a bit beyond the usual idea in designing an automobile.

For, a long while ago, we graduated from the idea that a motorcar is merely a means of getting about.

The way you travel is pretty important too. The lift that's yours in knowing there's no prettier picture anywhere on the highways. The "kick" there is in a power plant that's lively and eager and always ready to get in on the fun.

The comfort that's found in all-coil springs, a husky, steady-traveling understructure, cushions that are deep and soft and wide enough to let you spread yourself a bit.

Even that extra swelling of the chest that comes from owning a car you know everyone respects and admires.

In a word—your happiness. It's never out of our mind in planning this car—nor in making very sure each dollar of cost gives you the greatest possible benefit.

That's why we rather proudly ask you to go see—and try—this Buick SPECIAL. It's priced like a six, in spite of the fact that all Buicks, it's a big-powered Fireball valve-in-head straight-eight.

And we honestly believe that it puts a lower price tag on your motoring happiness than any other car you can buy today! See your Buick dealer and find out about that.

When better automobiles
are built
BUICK will build them

SOCIETY EVENTS

Legion Auxiliary Met Last Thursday

Antioch Unit 748, American Legion Auxiliary, met last Thursday evening in the Legion Home.

Mrs. Floyd Horton, president, conducted the meeting.

Mrs. Walter Hills, Mrs. Jane Bray and Mrs. Ed Jahnke, delegates to the Tenth District meeting gave their reports. Also attending the meeting was Mrs. Horton, Mrs. John Horan, Sr., and Mrs. F. A. Swenson. The Unit was complimented at District meeting for the fine reports sent in and on time by the chairmen.

Mrs. Harold Ellis, unit membership chairman said the Unit is continuing its campaign for enrollment of 1950 members.

The American Legion Auxiliary has only one purpose, Mrs. Ellis said, and that is to help the American Legion in the Legion's great work for America. We are making this membership drive so that we will have greater strength to help more effectively.

The women of the Auxiliary work side by side with the men of the Legion, carrying out that part of Legion activities which can be done.

The Auxiliary gives especially effective help in serving the disabled veterans, in aiding needy children of veterans and in teaching the principles of Americanism.

We work with the Legion in community projects, help them in their post programs and share in their social activities.

Membership in the Auxiliary thus gives us a broad field of common interest with the men of our families who belong to the American Legion. As Auxiliary members we understand their problems and projects, and are in a position to help them achieve their purposes. We are inviting wives, mothers, sisters and daughters of Legionnaires to come to the Auxiliary at this time and join with us as we go forward "With the American Legion for America."

Mrs. Ray Suzzie, Highwood, Tenth District liaison chairman, was present and spoke on some of the Auxiliary programs, and on flag etiquette, she showed the proper salute to the flag, and the proper way to display the flag.

The Unit assisted the Legion Post on Armistice Day, they served lunch at noon during the open house.

At the close of the meeting Mrs. W. Biron and Mrs. John Brogan served refreshments.

NEW 4-H CLUB FORMED FOR WINTER

A 4-H Club has been organized for the winter months in Antioch. The Leisure Hour Project has been chosen as the type to be conducted. The first meeting was held at the local leader's home, Miss Eleanor Horton, the second at Donna Masopust's home and the third at Pat and JoAnne Haydon's home. The girls decided to name the club "The Clever Clover Club". Miss June Kutil is the assistant leader. The meetings are progressing very nicely with splatter painting being taken up as one project and was used in making Christmas cards. Also text-ile painting has been demonstrated and the girls find it useful in making attractive Christmas gifts.

WILLING WORKERS MEET AT NEVELIER RESIDENCE

The Willing Workers met at the home of Mrs. Barney Nevelier, Beach Grove rd., last Thursday with 16 members and three guests present. Two of the guests were cousins of Mrs. Nell Runyard who are visiting here and in Canada from England.

Mrs. Fred Peterson resigned from the office of secretary due to the illness of her husband. Mrs. Emma Green, Camp Lake, was elected to fill this office.

Refreshments were served by the hostess at the close of the meeting.

HOLY NAME SOCIETY RECEIVES COMMUNION

At St. Peter's church occurred one of the largest turnouts for Communion on Holy Name Communion Sunday, November 13th. There were 42 members of the parish who participated.

The Holy Name Society will hold a communion breakfast on December 11, to which all men of the parish are invited.

WILL ATTEND WORKSHOP AT CRYSTAL LAKE SUNDAY

M. Y. Fers and counsellors will leave the Methodist church Sunday, Nov. 20, at 4 p. m. for the Crystal Lake Methodist church workshop. Registration fee is 25 cents. Bring sandwiches to pass. Ice cream and pop will be served. The group will return at 8:30 p. m.

Mrs. George J. Malek, the former Anne Babor, has recently returned to her home in Berwyn, after a three week stay at the Passavant hospital, Chicago.

Mr. and Mrs. Louis Tanner are the parents of a son, Louis Edward Tanner, Jr., born November 4, at Victory Memorial hospital, Waukegan.

Jim Walsh Breaks Leg at Lake Villa Lumber Yard

James Walsh, 48, a new employee at the Lake Villa Lumber yard, suffered a broken leg about 10 a. m. Tuesday when a truck load of roofing he was moving, rolled on him. Walsh was moving the roofing when he slipped and fell and the truck struck him before he could get out of the way. He was taken to St. Therese hospital by the Antioch Rescue squad where the fracture in the lower part of the leg was reduced.

Dance at High School to Follow Game Wednesday

Alumni of the Antioch Township High school and their friends will have opportunity to return to their alma mater for a social time next Wednesday night when the Junior class stages a dance after the Palatine basketball game.

Art Smejkal's orchestra will furnish the music for the occasion, and the public is invited to attend. Admission will be 60 cents.

The dance is planned for this time to give those who are returning home for the Thanksgiving vacation from college and elsewhere an opportunity to get together.

C. Y. O. Dance Saturday Known as Turkey Trot

The Catholic Youth Organization has made big plans for its dance known as the "Turkey Trot" to be given Saturday evening at the church hall. Art Smejkal's orchestra will furnish the music and dancing will be from 8:30 until 11:30 p. m. Admission will be 60 cents. Refreshments will be served.

Two Arrested in Gambling Deal at Hickory Corners

What had started as a friendly game to pass the time among the automobile dealers who buy and sell at the Hickory corners automobile auction, turned out disastrously for a number of the dealers when a pair of professionals got into the game with several pairs of loaded dice last Tuesday.

It is said that the crooks took several hundred dollars from the unsuspecting dealers, before they caught on and summoned sheriff's deputies who arrested two men and also seized a box of crooked dice.

CARD OF THANKS

I would like to thank my friends for their cards and flowers which I have received while in the hospital, and let them know they are deeply appreciated.

M., bounded by a line described as follows: Commencing at the point of intersection of the center line of Fox River Road and the South line of the North half of the North East quarter of said Section 20, (which point is 156.5 feet East of the West line of the North half of the North East quarter of said Section 20); thence East along said South line of said North half of said North East quarter of said Section 20, 291.9 feet to the Westerly right of way line of the Minneapolis, St. Paul & Ste. St. Marie Railway; thence Northerly on the Westerly right of way line of the Minneapolis, St. Paul and Ste. St. Marie Railway, 334.85 feet to the Southeast corner of premises conveyed to Esch Brothers and Rabe Ice Company by Warranty Deed recorded as Doc. 79609; thence South 83 degrees 9 minutes West 291.0 feet (297.88 feet by measurement), to the centerline of Fox River Road (being the South West corner of said premises conveyed by Doc. 79609); thence South along the center of said road, 302.9 feet, more or less, to the place of beginning, in Lake County, Illinois.

It is further proposed under said petition to allow the variance of the 80 foot setback requirement now in effect on State Route No. 21, to permit the erection of an addition to an existing tavern to be located on a line 62 1/2 feet from and parallel to the center line of State Route No. 21.

As a result of the petition of George Schweiger and Frances Schweiger, which petition is available for examination in the office of the below named Board, Court House, Waukegan, Illinois.

All interested persons are invited to attend and be heard.

SUNDAY EVENING PROGRAM

Sunday evening, November 27, marks the occasion of the beginning of a monthly Sunday evening program at The Methodist Church in Antioch. The program, sponsored by the Methodist Youth Fellowship, is open to the entire community, and will be held on the 4th Sunday of each month.

The opening program will feature the renowned film, "God of Creation," a sermon in science, showing the mysteries of the universe in natural color photography. The film, produced by preacher-scientist, Dr. Irwin A. Moon of the Moody Bible Institute, contains breath-taking beauty achieved with lapse-time photography and showing flowers bursting into full bloom, and actual photographs of a caterpillar as it changes into a full-grown butterfly. The film is one of particular interest to those who like nature.

Both the High school and Intermediate Youth Fellowship are co-operating in this endeavor which will be free of charge. An offering will be taken. The young people will begin the evening with a chili supper in the basement of the church and then join parents, friends and visitors for the program in the sanctuary starting at 7 o'clock.

Sunday Service

Continuing the series of sermons on "Our Faith in God," the Rev. G. Richard Tuttle of The Methodist Church will speak on the subject, "What Kind of God," at the 11 o'clock service on Sunday morning. The robed choir under the direction of Charles B. Watson will sing, "My God and I."

Maplethorpe at Nash Agency

Trustee James Maplethorpe has closed out his garage and service station on Main st. and has taken over the service department of the Nash agency. He expects to rent the Main street building to other parties.

Interview More Architects

The Antioch Township High school board of education interviewed two more architects regarding school-building plans last night and will interview two more on Wednesday night, Nov. 30. They have consulted four so far and expect to interview eight altogether.

SCOUT HOME

November 15 marked the closing date of the drive for funds for the Scout Home. One thousand sixty-two dollars in money was received, also several donations of equipment and material. The members of the Board wish to thank each and everyone who in any way helped to make this drive a success. Even though the campaign has officially closed some individuals and organizations have volunteered to make a donation later in the year.

Those contributing since the last list was published are:

Fred Scott, Wesley Circle Methodist church, Mr. and Mrs. Arthur Rosenfeldt, American Legion Auxiliary, Dr. D. N. Deering, St. Ignatius Guild, Episcopal church, Woman's Club and Mr. and Mrs. M. C. Cain.

Lions Dine at Caneslakes

In a Ladies Night meeting members of the Antioch Lions club dined and danced Monday night at the Caneslakes Island on Skokie highway. Seventy-two persons were present.

Undergoes Spinal Operation

Laurel Van Patten is showing satisfactory improvement following a major operation on his spine Saturday morning in Victory Memorial hospital in Waukegan. The operation was performed by Dr. J. J. Milroy.

Blackhead Outbreaks

Soil fertilized with turkey or chicken manure is a frequent source of blackhead outbreaks in poultry flocks.

Hilte-biker

The cocklebur carries its seeds to far places by catching on to fur-bearing animals or to clothing of passers-by.

City of Healing

The world has beaten a path to Rochester, city of healing, where rises the 20-story tower of the Mayo clinic. Half a mile of tunnels under downtown streets connect the clinic with hotels and hospitals. In one of the restaurants, a well-placed sign reads: "Of course, we'd dearly love to hear about that perfectly fascinating operation of yours, but not please, while we're eating."

1950 FORD

IT'S HERE FRIDAY AND 50 WAYS NEW!

WITH THE EXCLUSIVE NEW 100 H.P. FORD

ITS QUIET WHISPERS QUALITY

It's the quiet of new super-fitted pistons, new "hushed" timing gear, new fan designed for better cooling at slower, quieter speeds. And what power! It's a full 100-h.p. V-8 that delivers more power than any other car anywhere near Ford's low price and sells for less than most conventional "sixes." And Ford offers a Six, too—an advanced Six with 95 horsepower.

NEW sound conditioning
New "sound conditioning" in floor, doors and body panels insulates Ford's "Ultra-Guard" body against road noises. More extensive soundproofing in 41 areas gives additional interior quietness and protection.

There's a Ford in your future

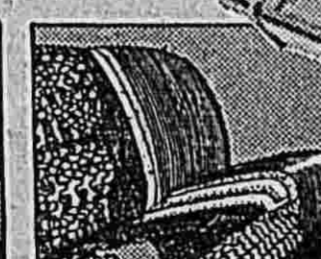

...with a future built in

NEW "Hushed" ride
Ford's famous "Mid Ship" ride is now so quiet you can talk in whispers at highway speeds. So smooth (with its great team of "Hydra-Coil" and "Para-Flex" Springs) that it virtually erases every bump.

NEW quality features
New quality is easy to find in this 50-way-new Ford. You find it in the new push-button door handles, in the new rotary door latch that needs only a feather-touch to open and close securely. You find it in new sparkling upholstery colors.

NEW driving comfort
Not only does the 1950 Ford offer you more hip and shoulder room than any other car in its field—it offers you the long-lived driving comfort of a new foam rubber front seat cushion over new non-sag seat springs. You drive relaxed.

But see it for yourself. Drive it so you can feel and hear the difference. And price it and see how much less it costs than any other really fine car.

LAKE VILLA

Miss Marlene Nader, a student at St. Elizabeth's School of Nursing, in Chicago, spent Sunday with her parents, Mr. and Mrs. Joe Nader.

Mr. and Mrs. Anderson, nee Ruby Leonard, of Chicago, spent Thursday last week with her sister, Mrs. Carl Reinebach and family.

Mrs. Stella Pedersen entertained the ladies of the Sewing club at a luncheon at her home on Oak Knoll Drive on Thursday last week. Mesdames, Georgia Avery, Mayne Kapple, Lulu Nelson, Marie Hamlin, Lulu Boehm and Cora Hamlin were present. Mrs. Ruth Schmacher came from her home at Wonder Lake to be with the group and Mrs. Ruth Avery Sheehan, of Antioch was a guest.

Forty or more enjoyed the Family Night pot luck supper at the church Wednesday evening last week and after the supper the group enjoyed the presentation of "Green Pastures" by Rev. Harrison.

Mr. and Mrs. Jack Fowles and daughter, of Libertyville, were guests of Mr. and Mrs. Charles Kelly last Sunday.

Mr. and Mrs. Richard Grutzmacher, of Chicago, and Mr. and Mrs. Everett Lucas and daughter, of Waukegan, spent Sunday with their parents, Mr. and Mrs. Wm. Walker.

Mr. and Mrs. Victor Hook attended a luncheon at the Glen Flora Country Club last Thursday, Nov. 10, in honor of U. S. Senator Paul H. Douglas.

The 500 club held the first party of the season last Saturday night with Mr. and Mrs. Wm. Fish at their home near Barrington. Mrs. Anne Nelson and Jake Fish won first prize, Edna Botts and Leo Barnstable, second prizes and Mr. and Mrs. Clarence Blumenschein were awarded the consolation prizes.

Mrs. Clarence Blumenschein and Mrs. Gordon Blumenschein were Chicago visitors on Tuesday.

Mrs. George Beemsterboer, of Chicago, who, with her husband has just returned from a trip to Florida with her parents, Mr. and Mrs. Arthur Nauta, of Waukegan, was a visitor Sunday at the home of her sister, Mrs. Lester Hamlin, who had taken care of her children.

Mr. and Mrs. Lindblom, who have been in Minnesota for some time looking after property interests there, came to the home of Mrs. Lindblom's mother, Mrs. Daisy Riney, Saturday night, to visit for a while before going on to Florida for the winter.

Girl Scout Notes

October was a very busy month for the Girl Scouts of Lake Villa, who began their fourth year of scouting under leadership of Mrs. Herman Meinersmann, with a huge bonfire and songfest at the Meinersmann home. The big feature of the evening was a war dance contest won by Patty Gallagher. When the bonfire died down the girls toasted marshmallows till all had plenty. The girls took part in the Girl Scout cookie sale, which was held throughout the Lakeside Girl Scout Council. The girls quickly sold their quota and could have sold many more. Mary Lou Murray holds top saleswoman honors.

The last week in October was highlighted by a scavenger hunt planned by Marilyn Mix, Mary Lou Murray, Gail Pedersen and Patty Hamlin. The girls hunted in teams and came back with a weird collection of objects. Winning team included Louise Letting, Marlene Schultz, Mary Wolff, Shirley Oilschlager and Virginia Michalek.

The Girl Scouts meet every Wednesday evening from 7:30 to 8:45 in the Village hall. At this time adult

leaders are urgently needed if scouting is to continue. No previous experience is needed, just a love and understanding of girls, plus a lot of patience. Please call Mrs. Herman Meinersmann, Lake Villa 3335 if you are interested.

The annual turkey dinner for the Millburn Masonic building fund will be held at Millburn church on Friday evening, Nov. 18, by the committee in charge and a country store will be held in connection.

Walter and Bernard Schneider are building a cement block garage on their property off Grand Ave.

Mr. and Mrs. Wm. Schneider and son, Billy, who now live at Chipewawa Falls, Wis., visited Mrs. Schneider's mother, Mrs. Anne Nader last Saturday and when they left Sunday for their home they took Sandra, young daughter of Mrs. Ellen Schneider with them for a time. Mrs. Bessie Stevens, third grade teacher at the Lake Villa school,

visited relatives at Wheaton over Friday and Saturday.

Church News

Attendance reached an all-time high Sunday morning in the worship service, as the congregation almost tripled itself in the month since its new pastor took over the pulpit. Another record-crowd is expected next Sunday morning to hear an entirely new and different sermon, "Fifth Columnists in the Church." This message tells the story of the Nazi Fifth Column, and how it dissipated ally strength in the last war, as compared to similar undercover forces within the church. It is a topic never before discussed in the American pulpit; revealing and fascinating. The hymns, prayers and reading will be on a Thanksgiving theme.

The MYF got to a fine start Sunday evening. They will go to Crystal Lake next Sunday to a "workshop". Everyone interested will meet at

the church at 5:00, bringing sandwiches and 25c for registration.

The WSCS will send a Christmas box to a Methodist refugee family in Korea this next week. All food donations should be at the church by Sunday.

Friends of the Pastor, who were former parishioners at Benton, Wis., were guests of the parsonage family on Sunday and attended church services.

Screen out Flies

Use close-fitting screens to keep flies from inside your homes, from bakeries and other places where food is kept. Screen doors that open outward are best.

"A country man between two lawyers, is like a fish between two cats."

Who has deceived thee so oft as—thyself?

Big Ben—

Big Ben the largest and most reliable clock in the world, celebrates its 60th birthday this year. Big Ben a 13½ ton bell with a 48 pound hammer, is located in a tower erected next to the English houses of parliament overlooking Westminster bridge.

Two men spend five hours three times a week winding the clock. It is kept accurate by contact twice a day with the Greenwich observatory.

At the top of the tower is the lantern, which when lit up by its six gas jets, tells the late Londoners that their parliament is still sitting. To regulate the clock a tray is fixed about half way down the 13th pendulum, and in it 10 coins are placed. When the clock is running fast, a penny is placed on the tray. If the clock is running slow a penny is removed. This makes the pendulum either speed up or slow down about 4/10ths seconds a day.

This was of little benefit lately when the Big Ben tower became a haven for swarms of starlings. They used the hands of the clock for a roosting perch. This speeded up the clock on the down movement and slowed it on the up movement of the hour and minute hands. Each time the clock struck the birds would leave temporarily.

Legend has it that a Lord Chief Justice altered a court record, the King hearing of this fined the chief justice 800 pounds and used the money to erect the clock whose bell should hourly remind all judges to administer fair justice.

It is a favorite sport of young athletes to try to race across Westminster bridge 273 yards while Big Ben strikes 10. Few succeed.

MR. ARMOUR'S motto was
"EMPLOY Optimists to produce results and Pessimists to figure them up."

Pome Dept.—

If you ask a maid of today for a kiss she probably will say: If you are as strong as I hope, I'll be unable to cope. With your efforts so have your own way.

—Green Gander

In churches, theatres and auditoriums having a pipe organ, most of the visible pipes are dummies, installed merely for real pipes have to be made in such a variety of sizes and shapes and arranged in such incongruous groups that they are too unsightly to be seen by the public.

This Week's Recipe—

One very old West Indian recipe for planter's punch (it was used in Charleston, S. C. too, before the Civil war) goes like this:

One of sour,
Two of sweet,
Three of strong,
And four of weak.

"Sour" is lime juice, "sweet" is sugar sirup, "strong" is rum, of a certainty and "weak" is crushed ice, with which you fill a tall glass.

Quibs—

"It seems incredible—35 million laws and no improvements on the Ten Commandments."

—Banking

Love-making hasn't changed in 2500 years. Greek maidens used to sit and listen to a lyre all evening, too.

The fellow who has the best command of the English language is the one who knows exactly when to talk and when to shut up.

This Week's Quizzer—

What is the most useful plant in the world? Answer next week. Last week's Answer: What congressman was the son of one President and the father of another. John Scott Harrison (1804-1878) son of Wm. H. Harrison and father of Benjamin Harrison.

It's old Stove Round-Up Time

This new **ROPER** Gas Range
minds your minutes for you!

Round-up time is Roper time! See the newest ranges now being featured!

One of the many features of the handsome new Roper model illustrated is the timer-alarm that reminds you of elapsed minutes up to 3½ hours! You'll like the "staggered" arrangement of the top burners, too, and the big oven with a scientific oven cooking chart right on the door. The roll broiler is smokeless, of course, and comes complete with a distinctive grill and chrome serving tray which takes a sizzling steak right from the broiler to your table.

Everything about this streamlined Roper gas range is planned for your convenience. The simmer-speed top burners light automatically... the patented "ob-serva-lite" in the oven bottom permits you to see what's cooking easily... and the fluorescent lamp gives you good light on the top burners.

Get ROUND-UP details at your
Public Service Company store.

CUSTOMERS' CORNER

Why will food prices go up if the anti-trust lawyers win their suit to put A&P out of business?
Here is just one of the number of reasons:
We manufacture many of the quality foods we sell in our stores, such as Bokar, Red Circle and Eight O'Clock coffees, Ann Page foods, White House milk, and many others.
Because this saves us money we are able to pass along these savings to our customers in the form of lower prices.
The anti-trust lawyers have asked the court to order us to get rid of our manufacturing facilities, which would put an end to all these savings.
Make no mistake about it. If the anti-trust lawyers succeed in putting A&P out of business you will find your food bill is higher.
